GROUP 120

Sir:

The undersigned inventors acknowledge their responsibility to replace, through Integrated Genetics, Inc., their employer at the time the invention was made and the repository of the cultures below; ATCC Nos. VR 2075, VR 2077, CRL 8400, CRL 8401, and 39475 should they die, become non-viable, or mutate before the end of the term of a patent issued hereon, 5 years after the last request for a culture, or for 30 years, whichever is the longer, and their responsibility to notify the depository of the issuance of such a patent, at which time the deposits will be made irrevocably available to the public. Until that time the deposits will be made available to the Commissioner of Patents under the terms of 37 C.F.R. Section 1-14 and 35 U.S.C. Section 112.

Declarants further state that all statements made herein of their own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18
